Dear Sir:

Replying to your favour of June 8th, I beg to state that the American Numismatic Association and the American Numismatic Society are separate organizations. I am glad to enclose leaflets describing the aims of both of these.

You will see that the Association issues a publication entitled "The Numismatist", which appears monthly. Our Society issues publications from time to time throughout the year, to which all members are entitled to receive. The dues of an Associate Member are but Five Dollars annually, and we should be glad to have you fill out the enclosed application card should you care to enroll as a Member in our Society. Or if you desire membership in the Association, I likewise enclose an application form.

You will note on the leaflet of Numismatic Notes and Monographs, the scope of our publications, and approximately the number issued yearly.

Trusting we may add your name to our list of members,

Very truly yours,

Acting Secretary & Curator
